

Why Latvia's Perspective Matters

Latvia demonstrates how small NGOs can create meaningful impact through community action and European cooperation

Experience in community engagement and cross-border projects

Latvia serves as a bridge between the Nordic–Baltic region, the European Union and international civil society partnerships

URBAN ROOTS

**ERASMUS+ COOPERATION PARTNERSHIP THAT EMPOWERS YOUNG PEOPLE
TO SHAPE GREENER, MORE RESILIENT AND MORE INCLUSIVE COMMUNITIES**

strengthen resilience, social cohesion and civic participation

- Youth-led sustainable urban regeneration
- Nature-based solutions for resilient communities
- Community gardens as spaces for participation and learning
- Education, workshops and international cooperation
- Practical tools for municipalities, youth workers and communities

Co-funded by
the European Union

Bioville

URBAN ROOTS

COMMUNITY GARDENS...

- strengthen neighbourhood relationships
- create dialogue between different generations and cultures
- improve biodiversity and climate resilience
- increase wellbeing and sense of belonging
- encourage active citizenship

Erasmus+ creates opportunities for dialogue, intercultural understanding and long-term cooperation across borders.
It provides practical tools for building peaceful, inclusive and sustainable societies together

Erasmus+ EU programme for education, training, youth and sport Key Action 2

Co-funded by the Erasmus+ Programme of the European Union
