#WeAreInclusive Campaign: A call to action against discrimination

Bogotá, March 2024

The National Institute for the Blind – INCI – emphasizes the importance of the government, public actors, academics, members of social organizations, and society as a whole being protagonists of the transformation towards a world with greater equality, equity, inclusion, and development for all people with visual disabilities.

- **Organizer:** The National Institute for the Blind – INCI
- **Participants:** Citizens through social media
- **Focus:** Awareness and inclusion
- **Key idea:** Messages of reflection on how to reduce discrimination against people with visual disabilities, encouraging Colombians to join in building a more inclusive country
